

## **GALB-R102 – GREATEST PARK :30**

---

**MUSIC:** Up and under

**ANNCR:** The greatest park in Texas is open all the time.

It's Galveston Bay. It's connected to all of us.

It supplies our restaurants.  
It fuels our economy.

It protects us. And we protect it. By observing water restrictions, planting native plants, and disposing of waste properly, we can all back the bay.

Help protect one of Texas' most valuable natural resources at [BacktheBay.org](http://BacktheBay.org).
